ICW Building Control Ltd shall take such steps as are reasonable to enable it to be satisfied as to the project's compliance with the Building Regulations, and if so satisfied, it shall issue a final certificate. The final certificate is evidence (but not conclusive evidence) that the requirements specified in the certificate have been complied with.
- 2.6. In accordance with the Building Regulations, the Client must identify relevant dutyholders such as a Principal Designer and Principal Contractor and ensure that ICW Building Control are given the relevant information and updated if there is a change to these roles. Where there is a change in the Duty holder, the previous Duty holder must furnish ICW Building Control with a signed declaration confirming they have discharged their duties in accordance with relevant Legislation.
- 2.7. When the applicant appoints ICW Building Control Ltd as the RBCA, permission for us to sign the Initial Notice on behalf of the person carrying out the work will be automatically assumed. Any agents of third parties that are instructing ICW Building Control Ltd as the RBCA must make the Client aware of our terms and conditions.
- 2.8. It is the responsibility of the Client to ensure that all information provided, including any agent acting on their behalf, provided for quotation purposes and the submission of the Initial Notice is correct and relates to the work being undertaken.

### 3. Assignment and subcontracting

- 3.1. ICW Building Control Ltd may occasionally use competent sub-contract Registered Building Inspectors or companies to undertake site inspections on its behalf. The work they undertake will be for ICW Building Control Ltd and any liability resulting from these inspections will be the responsibility of ICW Building Control Ltd.
- 3.2. A person or company who is not a party to this Agreement has no rights under the Contract (Rights of Third Party) Act 1999 to enforce any term of this contract, but this does not affect any right or remedy of a third party which exists or is available apart from that act.

### 4. Payment & Fees

- 4.1. The Client or their appointed agents shall pay ICW Building Control Ltd for the performance of the services the fees and charges in such instalments as stated in the Quotation. All fees and charges under the Agreement are exclusive of Value Added Tax which, if due, shall be paid at the prevailing rate.
- 4.2. All fee quotations are valid for three months.
- 4.3. Where applications are made via a brokerage service ICW Building Control will pay a maximum of 10% of the total figure. This payment will be known as a referral fee.

- 4.4. All fees liable to ICW Building Control Ltd should be paid by the Client or their appointed agents within 28 days from date of invoice and prior to the release of the final certificate.
- 4.5. Fees are calculated as follows:
  - 4.5.1. Where the total fee is greater than £800.00 + VAT then two invoices will be issued with the validation fee equal to 40% of the total fee, and the site inspection fee as the remaining balance, due after the first inspection of the works.
  - 4.5.2. Where the total fee is £800.00 + VAT or less, then full payment should be made with the application, as validation of the application.
- 4.6. The validation fee must be paid in full prior to the plans assessment being undertaken. Failure to do so may incur additional charges. The validation fee is non-refundable.
- 4.7. Unless otherwise agreed, an invoice for the Inspection Fee will be issued on start of building work on site. The site inspection fee is non-refundable after the first inspection has been carried out.
- 4.8. Where the Client intends to withhold payment of any amount stated in the invoice, the Client must give written notice to ICW Building Control Ltd, no later than 5 days before the final date for payment, stating the amount to be withheld and the grounds for withholding payment.
- 4.9. In the event that the Client is in default over payments of amounts at the final date for payment and no notice of intention to withhold payment from such amount has been given under Clause 4.8 above, ICW Building Control Ltd may suspend performance of any or all of the services. This right is subject ICW Building Control Ltd first giving the Client not less than 7 days' written notice of such intention and stating the grounds for suspension. The right to suspend performance shall cease when the Client makes payment of the amount due.
- 4.10. Failure to pay fees may result in the project being cancelled with the Local Authority, and/or suspension of visits to any site. ICW Building Control Ltd will be entitled to the full amount of the fee should debt recovery need to be instigated and charges will be added for collection.
- 4.11. Unless otherwise agreed with ICW Building Control Ltd, work carried out on an hourly basis will be invoiced at the end of each month.
- 4.12. ICW Building Control Ltd will notify the Client or their agent in writing as soon as it becomes reasonably apparent that the scope of the work has changed to an extent that it becomes substantially different to that described in the original Initial Notice thus requiring the submission of an amendment notice, or amendments are made to the project requiring additional plan checking, consultations or inspection, then ICW Building Control Ltd shall be entitled to additional payment. The amount will be subject to prior agreement between ICW Building Control Ltd and the Client.
- 4.13. Where a project has not started on site within 12 months of the date of the Initial Notice, then ICW Building Control Ltd reserve the right to apply an annual increase to the inspection fee of 5%.
- 4.14. Where a project (each individual building) has not commenced on site within 3 years from the date of the initial notice ICW Building Control Ltd reserve the right to cancel the initial notice with immediate effect.
- 4.15. ICW Building Control Ltd reserve the right to make the following additional charges to the Client or agent:

6.2. ICW Building Control Ltd shall, on request of the Client, provide evidence that the insurance is properly maintained.

- 6.3. ICW Building Control Ltd shall immediately inform the Client if the insurance referred to above ceases to be valid.

## 7. Copyright & Data Protection

- 7.1. The copyright in all documents prepared by ICW Building Control Ltd in providing the services shall remain their property. Subject to payment by the Client of the fees properly due to ICW Building Control Ltd under this Agreement ICW Building Control Ltd grants to the Client an irrevocable non-exclusive royalty-free licence to copy and use the documents for any purpose related to the project.
- 7.2. ICW Building Control Ltd shall not be liable for any use of the documents for any purpose other than that for which they were prepared and provided by them.
- 7.3. As part of the Initial Notice submission ICW Building Control Ltd must disclose the applicant's name and address. This data has not been obtained for marketing purposes by third parties and therefore, if it is found that data has been used for such purposes by the Local Authority dealing with this Initial Notice, they may breach the principles of the Data Protection Act.
- 7.4. Specific third-party information sharing: We use Building Passport, a third-party software company with which we have no direct affiliation, as a means of storing, organising and giving the ability to share building information. Clients acknowledge and accept that we have no control over such resources and are therefore not responsible for their content, availability, or conduct. Conditions applicable to this third-party resource result from Building Passport's terms and conditions which can be found here (<https://www.buildingpassport.com/terms-and-conditions>), or in the absence of those, applicable statutory law.
- 7.5. ICW Building Control Ltd may be required to disclose information specific to an application to the regulatory authority, local authority and other regulators. They may breach the principles of the Data Protection Act.
- 7.6. Where appropriate ICW Building Control may share project specific information to relevant Dutyholders and/or persons named on the application. They may breach the principles of the Data Protection Act.

## 8. Complaints

- 8.1. In the event that the Client has a complaint in respect of the performance of ICW Building Control Ltd, a copy of the complaints procedure can be found at [www.i-c-w.co.uk](http://www.i-c-w.co.uk).

## 9. Force Majeure

- 9.1. Neither ICW Building Control Ltd nor the Client shall, except as otherwise provided in these Conditions, be responsible for any loss, damage, delay, or failure in performance hereunder arising or resulting from act of God, act of war, seizure under legal process, quarantine restrictions, strikes, boycotts, lockouts, riots, civil commotions and arrest or restraint of princes, rulers, or people.

## 10. Liability

- 10.1. Nothing in this clause 10 shall limit ICW Building Control Ltd.'s liability for negligence resulting in death or personal injury. Subject to that:

- 10.2. Notwithstanding any other provisions in this contract ICW Building Control Ltd.'s total liability to the Client for any claims arising under or in connection with this contract (whether in contract, in tort (including negligence), for breach of statutory duty or otherwise) shall be limited to the amount agreed within the prescribed 'ABCA Contract for the appointment of a Building Control Approver'. Where this contract is not used and we are otherwise informed this shall be limited to ten times the fees charged by ICW Building Control Ltd.
- 10.3. Without prejudice to any other exclusion or limitation of liability, damages, loss, expense or costs, the liability of ICW Building Control Ltd for any loss or damage ('the loss or damage') under this contract shall be limited to that proportion as it would be just and equitable for ICW Building Control Ltd to pay having regard to the extent of its responsibility for the loss or damage and on the assumption that:
  - 10.3.1. all other consultants, contractors, subcontractors, and advisers engaged in connection with the Project have provided contractual undertakings on terms no less onerous than those in clause 1 to the Client in respect of the carrying out of their obligations in connection to the Project.
  - 10.3.2. there are no exclusions of or limitations nor joint insurance or co-insurance provisions between the Client and any other party engaged in connection with the Project and any such other party who is responsible to any extent for the loss or damage is contractually liable to the Client for the loss or damage; and
  - 10.3.3. all the parties engaged in connection with the Project have paid to the Client such proportion of the loss or damage which it would be just and equitable for them to pay having regard to the extent of their responsibility for the loss or damage.
- 10.4. ICW Building Control Ltd shall not be responsible for the supervision of any contractor or subcontractor, nor shall ICW Building Control Ltd have any liability for ensuring the performance or adequate standard of workmanship of any contractor or subcontractor.
- 10.5. The Client shall look only to ICW Building Control Ltd (and not to individuals engaged by the RBCA or any individual directors or members of ICW Building Control Ltd) for redress if the Client considers that there has been any breach of this contract.

## 11. Notice

- 11.1. Any notice to be given under this Agreement shall be in writing.
- 11.2. Where under this Agreement an act is required to be completed within a specified period of days after or from a specified date, the period shall begin immediately after that date. Where the period would include a day, which is a Christmas Day, Good Friday, or a day which under the Banking and Financial Dealings Act 1971 is a bank holiday, that day shall be excluded.
- 11.3. Following termination by the RBCA or the Client, the RBCA is entitled to write to the Local Authority (with a copy to the Client) cancelling the Initial Notice under the Building Regulations, in which case the RBCA functions will revert to the Local Authority and the RBCA will be discharged from all requirements to complete the services or any additional work.

## 12. Local Acts

- 12.1. Local Acts are not enforced by the RBCA and a separate application may need to be submitted and an additional fee may be payable to the enforcing body. ICW Building Control Ltd will not be responsible for the submission of the application or payment of fees. ICW Building Control Ltd may, however, assist with negotiations subject to the agreement of fees for this service.

### 13. CDM regulations

- 13.1. ICW Building Control Ltd is not responsible for checking if the work is notifiable under the Construction Design and Management (CDM 2015) regulations. A suitable qualified Principal Designer will need to be appointed prior to works commencement if required.

### 14. Planning Permissions

- 14.1. NEW DWELLINGS ONLY - Where a copy of the planning consent has not been provided as part of this application, ICW Building Control Ltd hold no responsibility for checking any planning conditions, including those specific to the accessibility and water efficiency associated to the proposed works. In all circumstances it remains the responsibility of the Client/designer to notify ICW Building Control Ltd of any specific requirements relating to accessibility and water efficiency over and above the baseline Building Regulations. Where no information is provided, only the minimum level of compliance will be checked in accordance with the Building Regulations.
- 14.2. ALL BUILDINGS - In all circumstances it remains the Client's responsibility to ensure all necessary planning approvals are gained where applicable and adhered to. ICW Building Control Ltd hold no responsibility for checking such legislative approvals have been obtained, nor any associated conditions are complied with.

### 15. Water Authority Approvals and Conditions

- 15.1. ALL BUILDINGS - In all circumstances it remains the Client's responsibility to ensure all necessary Water Authority approvals and conditions are gained where applicable and adhered to.

### 16. Environment Agency

- 16.1. ALL BUILDINGS - In all circumstances it remains the Client's responsibility to ensure all necessary Environment Agency approvals and conditions are gained where applicable and adhered to.

### 17. Contamination

- 17.1. ALL BUILDINGS - In all circumstances it remains the Client's responsibility to ensure all associated legislations, approvals and conditions regarding contamination are adhered to and not the responsibility of ICW Building Control Ltd to ensure compliance has been achieved outside the Building Regulations 2010.

### 18. Rights of third parties

- 18.1. No-one has any right to enforce any term of this contract under the Contracts (Rights of Third Parties) Act 1999, except as set out in clause 10.5 this does not affect the rights of the Client and ICW Building Control Ltd in relation to this contract.
